

# Memory Lane Walkway Order Form

The laser engraved bricks that are sold will make a great gift for family, memorials and even anniversaries! The affordable price of **\$75** will allow this to be a permanent fixture for future generations to come and see their brick. All the money raised will go to the Poland Spring Preservation Society's mission of striving to preserve and celebrate the history of the Poland Spring community by educating with our ever growing collection of artifacts. With this project we are hoping to be able to keep funding for our educational programs and be able to keep accepting artifacts of our beloved historic sites.
