## SUMMER SUNSET CONCERT SERIES

Dear Friends and Supporters,

*The Sunset Concert Series was a huge hit in 2018 and we expect 2019 to bring even bigger crowds!* Many Monday nights, over 300 guests enjoyed some of the best entertainment at the Poland Spring Gazebo. When the weather was not ideal, performances were held in the All Souls Chapel or in the Maine Inn. If you missed out last year, please bring your families and enjoy a great night of entertainment, every Monday night this summer at 6:30 PM and it's FREE!

We have a long-standing tradition of providing a variety of local musical performers for our concert patrons and we expect nothing less this year. For 2019, there will be some returning crowd favorites as well as some new and exciting musicians to showcase the season.

**We are asking for your support of the Poland Spring Preservation Society's Sunset Concert Series.** We have included **The Hill-Top**, our newly designed concert series program for you to review. They are distributed at each performance, placed in local area shops and businesses, as well as in each guest room of the Poland Spring Resort. Hundreds of tourists looking for places to shop, visit, and explore will see your advertisement every week.

It is with the generous support of local businesses, such as yours, that makes the concert series possible. Keep in mind that all proceeds from this, and our other fund-raising activities, go toward the restoration and preservation of the Maine State Building and the All Souls Chapel, both on the National Register of Historic Places and part of the Poland Spring Historic District.

We thank you for your consideration and look forward to your continued support with the Poland Spring Preservation Society's 2019 Sunset Concert Series.

Sincerely,

*Jim Delamater and John Rozos*

Co-chairs of the Concert Committee
