

POLAND SPRING PRESERVATION SOCIETY

SUMMER SUNSET CONCERT SERIES

Dear Friends and Supporters,

What a hit our 2025 Summer Concert Series was! We had the most beautiful sunsets, and clean Maine air at the wide-open lawn of the Gazebo at Poland Spring Resort! Many Monday nights over 300 guests enjoyed some of the best entertainment at the Gazebo at Poland Spring Resort. When the weather is not ideal, performances are moved inside, at the Maine Inn dining room. Please bring your families and enjoy a great night of entertainment on Monday nights beginning July 13th at 6:30 PM! For most concerts, there is a \$5.00 charge per person. Tickets can be purchased the night of the concert.

We have a long-standing tradition of providing a variety of local musical performers for our concert patrons and we expect nothing less this year. For 2026, there will be some returning crowd favorites as well as some new and exciting musicians to showcase the season!

We are asking for your support of the Poland Spring Preservation Society's Sunset Concert Series.

As an Entertainment Sponsor of this series, you will receive opportunity for a table for your brochures, etc., an announcement before the concert with accolades about your support of the concert, and a full page designed advertisement in the concert program or you can design your own. This program is given out at each performance, placed in local area shops and businesses, as well as in each guest room of the Poland Spring Resort. Hundreds of tourists looking for places to shop, visit and explore will see your advertisement every week. As a Silver, Bronze, or Friend sponsor you will receive an announcement at one of the concerts and a smaller ad.

It is with the generous support of local businesses such as yours, that makes the concert series possible. Keep in mind that all proceeds from this, and our other fundraising activities, go toward the restoration and preservation of the Maine State Building and the All Souls Chapel, both on the National Register of Historic Places and the Poland Spring Historic District.

We thank you for your consideration and look forward to your affiliation with the Poland Spring Preservation Society's 2026 Sunset Concert Series.

Sincerely,

Merrill Marsh and Stan Tetenman
