

# MAINE GOLF HERITAGE SCRAMBLE

## We Need Your Help Saving Maine's Heritage For Future Generations

The Fenn Ross Golf Scramble is our largest fund-raiser for the year! As in the past, this year's tournament proceeds will be used for the preservation of the Maine State Building and the All Souls Chapel. Because of the generosity of the Poland Spring Resort providing the golf course and carts for no cost we are able to put more than 70% of the moneys received directly into our buildings and programs.

In advance of the event, we are asking for your commitment to be one of our golfers, sponsors, or donors.

We thank you for your interest in and support of the Poland Spring Preservation Society's mission in preserving Maine's history and traditions.

*Hope to see you on the Links!*

The Poland Spring Preservation Society is a non-profit 501(c) 3 organization dedicated to preserving the unique historical architecture of the Maine State Building and the All Souls Chapel. We are located in Poland Spring, Maine. Many years ago, the legendary Poland Spring Hotel, and the world-renown Poland Spring Water, transformed a scenic western Maine town into a national landmark. We are 35 miles north of Portland on Route 26.

The Maine State Building and the All Souls Chapel have become a part of our national heritage. As members and supporters of the Poland Spring Preservation Society, our role is critical to the protection, restoration and preservation of these historic, one-of-a-kind structures. Also to educate our visitors about the history of Poland Spring. Today, the buildings are enjoyed as the site for our Museums, art gallery, weddings and musical concerts throughout the summer months. Visitors to the Poland Spring Resort and Preservation Park visit the Museum and Gift Shop in the Maine State Building and enjoy the many Monday night musical concerts held either in the All Souls Chapel or on the beautiful grounds of the Poland Spring Resort.
